| SV2   | <b>ATTEMPTED SEX AGAINST YOUR WILL:</b> This next series of questions asks about a time when anyone, male or female, tried to make you have sex against your will, but sex did not happen. In other words, they did not succeed in making you have sex. In this case, "sex" or "sexual intercourse" would include someone attempting to penetrate your vagina or anus with their penis, hands, fingers, or other objects, or attempting to penetrate your mouth with their penis. Remember, your answers are confidential, and you can skip questions you don't want to answer. |  |  |

| SV4                         | <b>PRESSURED SEX:</b> This next series of questions asks about a time when anyone, male or female, pressured you to have sexual intercourse against your will and you had sex. Pressure could include things like threatening, bothering, or harassing you to have sex. In this case, "sex" or "sexual intercourse" would include someone penetrating your vagina or anus with their penis, hands, fingers, mouth, or other objects, or penetrating your mouth with their penis. Remember, your answers are confidential, and you can skip questions you don't want to answer. |   |               |  |       |  |               |   |               |   |                     |   |                   |   |                             |   |                             |    |              |   |              |    |             |   |         |    |                |   |                |    |                 |   |                 |    |  |
