“The next set of questions is about your sexual activity and practices. Though sex is very private, we hope that you will share some information with us so we can better understand the needs and concerns of young adults like yourself. Some of these questions are personal but keep in mind that your name is not on the survey and no one else will know your answers. Please feel free to answer openly and honestly. There are no right or wrong answers, and remember that you can skip any question that you don't feel comfortable answering.

For the next few questions, “sex” or “sexual intercourse” refers to vaginal, oral or anal sex or the penetration of an object into your vagina or anus by someone else.
