I would like to thank you very much for helping me. I appreciate the time that you have taken. I realize that these questions may have been difficult for you to answer, but it is only by listening to children and young people like you that we can really understand about the health and life experiences of children and young people in Zimbabwe.

Sometimes the questions I have asked might remind you of times when you, or people you know, have experienced difficulties in life and you may think that you would like to talk to someone about this. This might be now or at any time in the future. I have a list of organizations here that provide various types of services that may be of interest to you. Please contact them if you need help or wish to find out more information about what they offer. You can contact them whenever you would like to.

Do you have any questions you would like to ask me?

FINISH OPTION 2: RESPONDENT MET ONE OR MORE RESPONSE PLAN CRITERIA

I would like to thank you very much for helping me. I appreciate the time that you have taken. I realize that these questions may have been difficult for you to answer, but it is only by listening to children and young people like you that that we can really understand about the health and experiences of children and young people in Zimbabwe.

From what you have told me, I understand that you have experienced some very difficult times in your life. No one has the right to treat someone else in that way and you also have the right to receive protection and support when you need it. You are not alone.

As part of the research we are doing, we care about the welfare of the people we interview and are committed to making sure that support and help is offered and provided.

There may be a time when you may like to talk to someone about your experiences. This might be now or at any time in the future. I have a list of organizations here that provide various types of services that may be of interest to you, as they provide support, legal advice and listening and social work services to people like you who may have experienced different kinds of violence. Please contact them if you want to talk about your experiences, need help or wish to find out more information about what they offer. You can contact them whenever you feel ready, either soon or later on.

I also understand that it may be very difficult to ask for help when you need it. If you would like me to I can help put you in contact with a social worker who is specially trained to listen and support people with problems similar to the ones you have told me about, so if you would like to meet one of our social workers in a private place, which can easily be arranged. Sometimes having someone listen to your thoughts and feelings can be very helpful to relieve stress and help you decide what you need to do.

There are also other services in this area that offer support and our social workers could talk about them with you and what they provide, and help put you in touch with these organizations if you wish.

If I put you in touch with a social worker, I will only share with that person the information you want to share. As I explained at the beginning, your answers are confidential.

Do you think that you would like to talk to one of our social workers/arrange for a social worker from a local NGO to speak with you?

- YES (*CONTINUE TO SERVICE REFERRAL FORM; OR CONTACT SOCIAL WORKER FROM RESPONSE TEAM IF RELEVANT*)
- NO

It is fine that you do not want to speak with a social worker now. However, if you change your mind at any time in the future, please contact any of the services provided in the list if you would like to talk over your situation with someone. You can go whenever you feel ready, either soon or later on.

Do you have any questions you would like to ask me?
